

The leader in vertically folding retractable walls

Skyfold's complete line of retractable walls store neatly in the ceiling when not required and provide a solid acoustically rated wall once deployed.

- ✓ Acoustically rated (up to STC 60/Rw 59)
- ✓ Fully automatic
- ✓ Turnkey operation with no manual intervention
- ✓ Saves valuable floor space
- ✓ Reconfigure room in minutes
- ✓ No floor or wall tracks on Classic and Zenith models

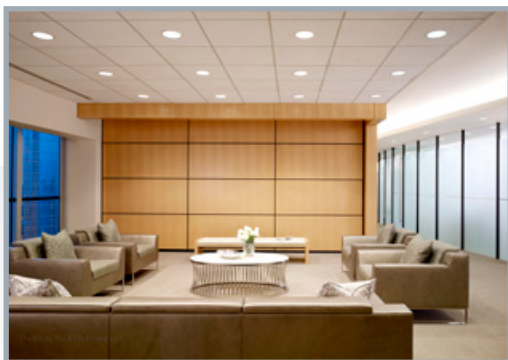

Visit our booth to learn how we can help you
maximize your space
